

# MD JISHNA JIDAN MARUF

☎ (880) 1710-432 125     MD Jishna Jidan Maruf     [ijidanmaruf](#)     [jidanmaruf49@gmail.com](mailto:jidanmaruf49@gmail.com)

## TECHNICAL SKILLS

**Programming Languages:** Python, C++, MATLAB, etc.  
**Tools:** PyroSim, AutoCAD, SolidWorks, MATLAB, etc.  
**Hard skills:** Rac, etc.

## PROFESSIONAL EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                            |
